EXPLORER

Let's Go!
Introducing the all-new EXPLORER APP

Once you download the app you'll never need WiFi or cellular data to find what you are looking for. On the road, around our towns on the trail, or even out on the water, the app will guide you to nearly 100 spectacular locations throughout Maine's Kennebec Valley.

Users will love its GPS-based mapping and inspiring descriptions that will lead them along our scenic drives and tours.

Scan to get the App.
